## EDUCATION

---

**Texas A&M University, College Station, Texas, USA** 2019

Ph.D.: Anthropology

Dissertation: *The History and Archaeology of the Lake Champlain Steamboat Phoenix II.*

Advisor: Kevin J. Crisman

**Texas A&M University, College Station, Texas, USA** 2015

Master of Arts: Anthropology

Thesis: *Shelburne Shipyard Steamboat Graveyard: Archaeological Investigation of Four Steamboat Wrecks.*

Advisor: Kevin J. Crisman

**Concordia University, Montréal, Québec, Canada** 2012

Bachelor of Arts: Honors Classics (Classical Civilizations) and Anthropology

Honors Thesis: *Evidence of Piracy in the Mediterranean During Classical Greece and Rome.*

Advisor: Jane Francis

## RESEARCH

---

**Gaspé Bay Historic Shipwreck Project, Québec, Canada** 2019-Present

*Principal Investigator*

Institute of Nautical Archaeology, Texas A&M University

- ❖ Remote-Sensing survey of Gaspé Bay.
- ❖ Archaeological documentation of submerged historic man-made wooden structure.

With co-Principal Investigator: Christopher Dostal

**Alexandria's Historic Waterfront Ship Documentation Project, Virginia, USA** 2019-2020

*Research Associate*

Conservation Research Laboratory at Texas A&M University, Alexandria Archaeology

- ❖ Laser scanning over 1000 timbers from three 18<sup>th</sup>-century ships recovered from Alexandria's historic waterfront.
- ❖ Digital reassembly of scanned 3D models of disarticulated shipwreck timbers.
- ❖ Digital reconstruction of three shipwrecks to original form.

Project Principal Investigator: Peter Fix

**The TBD Devastator Project – Sixth Expedition, Marshall Islands** 2018

*Project Archaeologist*

Conservation Research Laboratory at Texas A&M University, Air Sea Heritage Foundation, Naval History and Heritage Command

- ❖ Assessed the state of preservation of two submerged WWII “Devastator” planes.

Project Principal Investigator: Peter Fix

- City Place Schooner Project, Toronto, Canada** 2018  
*Public Outreach Team Leader; Supervisor/Senior Archaeologist*  
 City of Toronto, Fort York National Historic Place, Friends of Fort York, Texas A&M University, Institute of Nautical Archaeology
- ❖ Supervised and instructed the fieldwork portion of a Master of Science thesis project for Texas A&M University's nautical archaeology program.
- Project Principal Investigator: Julia Herbst (MSc, TAMU)
- Shelburne Shipyard Steamboat Graveyard Project, Vermont, USA** 2014-2016  
*Principal Investigator*  
 Texas A&M University, Institute of Nautical Archaeology, Center for Maritime Archaeology and Conservation, Lake Champlain Maritime Museum, Vermont Division for Historic Preservation.
- ❖ Supervised and instructed project participants, including graduate and undergraduate students, volunteers, and professionals in the field.
  - ❖ Archaeologically recorded the hulls of four 19<sup>th</sup>-century steamboat wrecks.
  - ❖ Generated detailed site plan, hull and engine reconstructions of *Phoenix II*.
  - ❖ Applied for grant funding, managed project budget.
- With co-Principal Investigator Kevin Crisman
- Red River Steamboat *Heroine* Project (Post-Excavation), Texas, USA** 2013-2018  
*Artifact Collections Manager*  
 Texas A&M University, Institute of Nautical Archaeology, Oklahoma Historical Society.
- ❖ Updated and maintained the >5,000-unit artifact catalog.
  - ❖ Drew scaled technical drawings of and photographed artifacts.
  - ❖ Trained and supervised undergraduate students in artifact drawing.
- Project Principal Investigator: Kevin Crisman
- Invasive Species Survey, Lake George, New York, USA** 2012  
*Volunteer diver for the Lake Champlain Maritime Museum*
- ❖ Set up over 4000m<sup>2</sup> of 5m by 5m grid in Boon Bay, Lake George, using measuring tapes and GPS.
  - ❖ Sample screened for Asian Clams, three screen samples at every 5m interval.
- Director: Adam Kane
- “Stone Boat” Field School, Vermont, USA** 2012  
*Student Archaeologist*  
 Lake Champlain Maritime Museum  
 Director: Adam Kane and Christopher Sabick
- The Sanisera Archaeology Field School, Menorca, Spain** 2011  
*Student Archaeologist*  
 Ecomuseu Cap de Cavalleria  
 Director: Fernando Contreras Rodrigo

## TEACHING EXPERIENCE

---

### **Texas A&M University, College Station, Texas, USA**

*Instructor of Record, Department of Anthropology*

“Social and Cultural Anthropology” (ANTH 210)	Spring 2019
“Social and Cultural Anthropology” (ANTH 210)	Fall 2018
“Peoples and Cultures of the World” (ANTH 205)	Summer 2018
“Social and Cultural Anthropology” (ANTH 210)	Spring 2018
“Peoples and Cultures of the World” (ANTH 205)	Fall 2017
“Peoples and Cultures of the World” (ANTH 205)	Spring 2017

*Teaching Assistant, Department of Anthropology*

“Peoples and Cultures of the World” (ANTH 205)	Fall 2016
“Research and Reconstruction of Wooden Ships” (ANTH 616)	Spring 2016

## MUSEUM AND PUBLIC ARCHAEOLOGY EXPERIENCE

---

### **One Ocean Expeditions Labrador and Torngat Explorer Cruise, Canada** 2019

*Resident On-Board Archaeologist and Permit Holder for Nunatsiavut Region*

- ❖ Gave public lectures on the archaeology of eastern Canada.
- ❖ Wrote site visit reports for Hebron and the Torngat Mountains National Park.

Expedition Leader: David Begg

### **Lois McClure, Lake Champlain Maritime Museum, Vermont, USA** 2012-2014

*Historical Interpreter; Port Liaison; Translator; Crew Member*

(19<sup>th</sup>-century sailing canal boat replica)

- ❖ Interpreted 19<sup>th</sup>-century maritime history and archaeology to visitors.
- ❖ Organized advertising and public media, including contacting newspapers, radio, and television for prospective ports.
- ❖ Arranged docking with prospective ports of call through city contacts.

Director: Arthur B. Cohn; Captain: Roger Taylor

### **Montréal Boat Show, Québec, Canada** 2013

*Host for the Lake Champlain Maritime Museum*

- ❖ Partnered with Parks Canada discussing history of North American waterways with visitors.

Supervisor: Erick Tichonuk

## PUBLICATIONS AND REPORTS

---

Deere, N., **C. Kennedy**, and K. Crisman (In preparation). “The Role of River Vessels in the Spread of the 1832 Cholera Epidemic in the Western United States.” Intended for peer-reviewed journal: *Northern Mariner*.

**Kennedy, C.**, and K. Crisman (In preparation). “The Archaeological Remains of Four 19<sup>th</sup>-Century Steamboats in Shelburne Shipyard, Lake Champlain, Vermont.” Intended for peer-reviewed journal: *International Journal of Nautical Archaeology*.

Dostal, C., G. Grieco, P. Fix, **C. Kennedy**, J. Herbst, L. Schultz, R. Borrero (Accepted 2020). “The Documentation and Reconstruction of an 18<sup>th</sup>-Century Wooden Ship from Alexandria, VA.” *Digital Applications in Archaeology and Cultural Heritage*, Sent to production 24 Jan. 2020.

Crisman, K., **C. Kennedy** and G. Schwarz (2018). “Vermont’s Steamboat Pioneer: Captain Jahaziel Sherman of Vergennes.” *Vermont History*, Vol. 86 (2): 125-161.

**Kennedy, C.** and K. Crisman (2016). “Shelburne Shipyard Steamboat Graveyard 2015 Season.” Final report submitted to the Vermont Division for Historic Preservation and the National Park Service.

**Kennedy, C.** (2016). “Shelburne Shipyard Steamboat Graveyard: An update from INA’s continuing study of four 19<sup>th</sup>-century steamboats in Lake Champlain, Vermont.” *INA Quarterly*, Vol. 43 (1/2): 12-17.

Beil, E. and **C. Kennedy**. (2016) “History Space: tales from the Steamboat Graveyard.” *Burlington Free Press*, Burlington, VT.

**Kennedy, C.** (2015). “Shelburne Shipyard Steamboat Graveyard: 2015 Results.” *INA Quarterly*, Vol. 42 (2): 12-17.

**Kennedy, C.** (2015). “The Shelburne Shipyard Steamboat Graveyard: Four Early Nineteenth-Century Steamboats from Lake Champlain.” *2015 Underwater Archaeology Proceedings*.

**Kennedy, C.** (2015). Book Review: *Shipwrecks of the Baltic*, Bjorn Hagberg, Jonas Dahm and Carl Douglas. *INA Quarterly*, Vol. 41 (4): 20.

## **GRANTS AND AWARDS**

---

Institute of Nautical Archaeology Research Grant, Fall 2019	\$10,000
Institute of Nautical Archaeology Discovery Fund, Fall 2018	\$7,000
Department of Anthropology Fee Subsidy for Exemplary Progress, Fall 2017	\$1,000
Summertime Advancement in Research Award, College of Liberal Arts, 2017	\$6,000
North American Society for Oceanic History Chad Smith Travel Award 2017	\$235
Department of Anthropology Fee Subsidy for Exemplary Progress, Spring 2017	\$1,100
Department of Anthropology, Texas A&M University, Travel Grant, 2017	\$1,000
Department of Anthropology, Texas A&M University, Research Grant, 2017	\$390
Department of Anthropology Fee Subsidy for Exemplary Progress, Spring 2016	\$600
Department of Anthropology, Texas A&M University, Research Grant, 2016	\$1,225
Department of Anthropology, Texas A&M University, Travel Grant, 2016	\$500
Department of Anthropology Fee Subsidy for Exemplary Progress, Fall 2016	\$1,200
Institute of Nautical Archaeology Claude Duthuit Archaeological Grant, 2016	\$25,000
National Park Service Maritime Heritage Program Grant, 2015	\$26,593
Institute of Nautical Archaeology Research Grant, 2015	\$10,000
North American Society for Oceanic History Chad Smith Travel Award, 2015	\$250
Department of Anthropology, Texas A&M University, Research Grant, 2015	\$1,000
Department of Anthropology, Texas A&M University, Travel Grant, 2015	\$1,500
Department of Anthropology, Texas A&M University, Travel Grant, 2014	\$1,200
Institute of Nautical Archaeology Research Grant, 2014	\$3,000
Center for Maritime Archaeology and Conservation, Travel Grant, 2014	\$850
Center for Maritime Archaeology and Conservation, Research Grant, 2014	\$1,000

## SERVICES

---

**Texas A&M University “Mentoring Up” Program** 2020

Mentor

- ❖ Working with local high school juniors and seniors to facilitate their advancement into postsecondary education.

**North American Society for Oceanic History** Elected May 2018

Council Member

- ❖ Research methods to increase membership, specifically among the academic youth.

**Shipwrecks of the Americas Laboratory, Texas A&M University** 2015-2018

Graduate-Undergraduate Mentorship Program

- ❖ Trained students in technical drawing of archaeological artifacts.
- ❖ Directed undergraduate research and conservation of artifacts.
- ❖ Supervised undergraduate historical and archaeological research.

**Student Research Week, Texas A&M University** 2017

University-wide Research Conference, Subject Judge: Anthropology

- ❖ Judged undergraduate poster presentations in university-wide conference.

**Shipwreck Weekend, Texas A&M University** 2015, 2016

Director of the Nautical Archaeology Program’s annual open house.

- ❖ Invited and made arrangements for keynote speakers.
- ❖ Advertised through local media: radio, television, newspaper, social media.
- ❖ Discussed ongoing Texas A&M nautical archaeology projects with the public.

## SKILLS AND CERTIFICATES

---

**GIS:** ESRI ArcGIS Desktop, ArcGIS Pro

**Digital Imaging Technology:** Adobe *Photoshop*, AgiSoft *Metashape*, Sketchfab, GIMP, *Rhinoceros* 3D Modeling

**3D Scanning:** FARO *ScanArm*, Geomagic *Design X*

**Statistics:** R Programming

**SCUBA:** PADI Instructor, October 2019  
PADI Assistant Instructor, June 2019  
PADI Divemaster, May 2019  
NAUI Advanced Rescue Diver Certification, July 2016  
AAUS Scientific Diving Certification, May 2016

**Other:** DAN Basic Life Support: CPR and First Aid Instructor  
DAN CPR Health Care Provider with First Aid Instructor  
DAN Diving Emergency Management Provider Instructor  
DAN Diving First Aid for Professional Divers Instructor  
DAN Emergency Oxygen for SCUBA Diving Injuries Instructor  
100+ hours driving 4m dinghy in service of *Lois McClure*
