

**PBSI RESEARCH CONTRACT: NRSC-BCN MAJORS**

NRSC-BCNS majors who work in NRSC labs can apply 491 credit hours to their supporting coursework **IF** there is room in their degree plan. If supporting coursework is full, 491 credit hours apply to general electives.

For NRSC-BCNS majors who work in non-NRSC labs, 491 credit hours will **ALWAYS** apply to general electives.

**Please pick which situation applies to this contract:**

       I am a NRSC-BCN major and this course applies to either my supporting coursework or general electives because I am working with a NRSC faculty from the list below.

       I am a NRSC-BCN major and this course will apply to my general electives because I am NOT working in a NRSC lab.
