

Statistical Consulting Center Log – 2023

Department	College	Classification	Year	Title
Animal Science	Agriculture and Life Sciences	Faculty	2023	Insulin Dysregulated Horses Metabolic Responses to Forage Pellets
Baen	Agriculture and Life Sciences	Faculty	2023	Integrative Assessment of Bacterial Pollution -Phase II
Nutrition and AgriLife Research	Agriculture and Life Sciences	Faculty	2023	The impact of a Produce Prescription program on fruit and vegetable intake among parents and children from Head Start
Ecology & Conservation Biology	Agriculture and Life Sciences	Graduate Student	2023	Assessing primate eye morphology
Soil and Crop Sciences	Agriculture and Life Sciences	Graduate Student	2023	The effect of precision aerification on surface hardness variability of turfgrass sports fields
Entomology	Agriculture and Life Sciences	Graduate Student	2023	Knockdown resistance (kdr) mutations in the sodium channel of mosquito <i>Aedes aegypti</i> (L.) and their role in field survivorship.
Landscape Architecture and Urban Planning	Architecture	Graduate Student	2023	A robust heterogeneous spatial-temporal network model for human visitation pattern
Psychological and Brain Sciences	Arts and Sciences	Graduate Student	2023	The Impact of Multisystemic Risk and Protective Factors on Sleep Health in Black Adolescents
Economics	Arts and Sciences	Graduate Student	2023	The Economics of Perception
Economics	Arts and Sciences	Graduate Student	2023	ESG Scores and Stock Price Volatility in the Energy Market: Does It Matter?
Economics	Arts and Sciences	Graduate Student	2023	Analyzing Yield Curve Inversion as a Predictor of Economic Recession: A Forecasting Study
Statistics	Arts and Sciences	Graduate Student	2023	Lyme Neuroborreliosis
Kinesiology and Sports Management	Education and Human Development	Graduate Student	2023	Supplementary Motor Area Theta Burst Stimulation in Parkinson's Disease
Nuclear Engineering	Engineering	Engineering	2023	Development of a Thermal Sensor for Dust Measurement
Residency program at Detar	Medicine	Graduate Student	2023	THE PROFILE OF PATIENTS WITH 30- DAY READMISSIONS AT DETAR HOSPITAL NAVARRO UNDER THE RESIDENCY SERVICE FROM JUNE 2022 to JUNE 2023

Department	College	Classification	Year	Title
Engineering Medicine	Medicine	Graduate Student	2023	Creating a Sensate Ear with the Nagata Technique
Cooperative Agricultural Research Center	Off-Campus	Research Scientist	2023	Impact of Feeding Vitamin D3 Encapsulated by Sulfur-Saturated Bovine Lactoferrin-Alginate Complex Coacervates Using Microbial Transglutaminase on the Immune Response of Late-Lactating Dairy Goats
Off-Campus	Off-Campus	Research Scientist	2023	Structural health monitoring using vibrational noise
Texas Juvenile Crime Prevention Center	Off-Campus	Staff	2023	Effectiveness of parent-engagement programs to reduce truancy and juvenile delinquency: A systematic review
Health Behavior	Public Health	Faculty	2023	Ethical Considerations and Participant Needs in Substance Use Research: A Study of Students at Risk of an Alcohol Use Disorder
Health Behavior	Public Health	Postdoc	2023	Preliminary Efficacy of a Technology-based Multidomain Lifestyle Intervention on Cognitive Function and Quality of Life among Older Adults Living in Assisted Living Facility
VIBS	Veterinary Medicine and Biomedical Sciences	Graduate Student	2023	On the Meaning of Suicide: Media, Identity, and Risk
